Dear General Walters:

I want you to know that I deeply appreciate your willingness to tackle the enclosed questionnaire. At the present I hope to start compiling the answers to this questionnaire the first week of April. Hopefully this will blend in with your schedule.

If your offer to meet with you is still open, I would also enjoy having the opportunity. I plan on being in Washington Friday, March 15. I would appreciate your letting me know if you have time to meet with me on that day.

Thank you for your help.

Sincerely,

John B. Wahlfeld

Dear Col. Walters;

By way of introduction I am a graduate history student at the University of North Carolina in Chapel Hill working under Professor George Mowry. I am in the beginning throes of a thesis on General Eisenhower during his tour of command at SHAPE.

In view of your association with the General during the time at SHAPE, I am hopeful that you might be willing to share some of your experiences, insights, and any anecdotes that come to mind. If you feel that you have some time, I would like to send you a questionnaire sometime in the next few months.

Any help that you are willing to provide would be deeply appreciated.

Sincerely,

John B. Wahlfeld
